CARRER OBJECTIVE

A web developer driven by a passion for creating cutting-edge online platforms that push the boundaries of technology and design. With expertise in both front-end and back-end development, I aim to contribute to innovative, high-impact projects that provide exceptional user experiences. I am seeking a role that challenges me to stay at the forefront of web development trends, work with forward-thinking teams, and be part of building the next generation of digital solutions.

PROFESSIONAL EXPERIENCE

Deopersindia

May to Aug 2023

Web Developer Intern

- Collaborated with the development team to create and maintain responsive web applications using HTML, CSS, and JavaScript. Implemented user interface designs provided by the design team.
